

***"This is a landmark in the sport!  
It's a must reading for every track and  
field fan and will be an unparalleled  
reference source for years to come!"***

*Track&Field News*

- A unique all-time top-10 ranking in all events
- Biographies for the best athletes of all time
- 500-deep all-time lists
- 100 deep performances
- Top-10 decade lists 1900–2010

## **WORLD'S GREATEST IN ATHLETICS**

This masterpiece of a book includes a never before published ranking of the top-10 in all standard events for men and women with career profiles for all event leaders, followed by more succinct career summaries and honors won for the other nine in each event. You get the answer as to who is the best of all time in a book covering all the big legends in text, pictures and statistics.

**World's Greatest in Athletics** is a must for all track and field fans and among the principal profiles you will find Usain Bolt, Yelena Isinbayeva, Haile Gebrselassie and Tirunesh Dibaba plus legends such as Carl Lewis, Fanny Blankers-Koen, Al Oerter, Paavo Nurmi and Abebe Bikila.

**This landmark** is produced by Jonas Hedman, Richard Hymans and Peter Matthews and also includes 500 deep all-time lists in all standard events. Never before have such deep lists been published like this.

**832 PAGES**  
FOR ONLY  
**49 USD** (plus 20 USD shipping)

Textograf Publishing

**"This kind of book really gives a  
perspective of our sport. So many  
great men and women have passed  
through history and here you have  
all the big names!"**

*Stefan Holm*  
Olympic Champion
